Kāti Huirapa Runaka ki Puketeraki

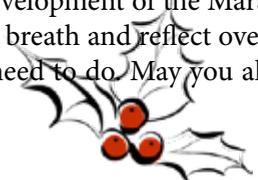

---

*Ngā mihi o tēnei wā Kirihimete.*

This year has been huge for the runaka in terms of workload, but has also presented a number of new opportunities for both our business arm and the cultural development of our whānau. From the launch of our new ventures - Karitāne Māori Tours and, Mea Fragrances - to te reo initiatives - whānau wānaka series, weaving, waka ama construction, Ki Uta Ki Tai Volunteer Week, and further development of the Māra Kai o Araiteuru garden (to name a few) - it is time to take a breath and reflect over the holidays on what we have achieved, and what we still need to do. May you all have a relaxed, whānau filled summer.

*Noho ora mai, mā te wā.* Matapura Ellison, Chairperson

## Karitane Māori Tours Official Launch

On Monday 17th September we launched the new waka for Karitane Māori Tours.

Hākui, Hinerangi Ferrall-Heath named and blessed Huriawa, launching us into the future.

We would like to thank the whānau for all the support, and the impressive paddling power on the day.

The hulls for Huriawa were made by Moananui in Tutukaka, and we would like to thank David and Diana Mules for safely delivering them all the way from there, along with Hauteruruku from the far North.

If you haven't done so, please call in and say hello over the holiday period, our signs are proudly flying outside 128 Stornoway Street.

## **Identification project Marae Photos**

Tamatea Smith has been working on a project to identify and name our whanau that are in the photos hanging in the whareniui at Puketeraki Marae. He has made a lot of progress but needs your help. If you are familiar with some of those photos, or have ancestors who appear in them, and can help us with this project, please can you contact the Runaka Office. We will add your info to the database we have created. We have the photos available as thumbnails and can send them to you to help with this and jog your memory. Please contact John Youngson, Office Manager with any information you can provide. Thank you!

## **Marae closed over summer for major fire upgrade work**

Puketeraki Marae will be closed to all hui and noho between January and March so that we can get the firewall constructed and installed between the wharekai and whareniui sides of the building. It will run the full length of the marae and is a major undertaking.

For some background, we have been working for several years now on designing, costing and approving the firewall work and have now contracted Stewart Construction to carry out that work, which will, at the same time, also include the installation of ramps, new gas heaters for both the wharekai and whareniui and the complete replacement of handrails around the coast facing side of the marae.

The firewall will mean that we will be compliant with current building legislation in terms of being able to accommodate large groups overnight, safe in the knowledge that if a fire breaks out on the kitchen side of the marae, the other side, where people are sleeping, will be protected in the time it takes to evacuate. In the unlikely event that this might happen, we are certainly pleased that we have been able to get this work done over the quiet period, in preparation for a busy 2019 at the marae. We want to give a special thanks to the Trustee/Runaka Joint Building Committee, and in particular, Brenda van Strik (Chair), who have been working tirelessly these last few years, completely voluntarily, to get to where we are now, with an accepted tender and a way forward. We could not have done this without their knowledge, expertise and commitment.

We are confident that the marae will be back up and running by the beginning of April 2019.

If you have any questions about the upgrade, please contact the Runaka Office on (03) 465 7300.

## **New Runaka Office Manager**

A big welcome to our new Office Manager, John Youngson, who started with us in October. John was Manager, Regulatory Services at the Invercargill District Council before he took up his position with us. He and his partner, Lyn Carter are happily ensconsed in their new home in Waikouaiti.

## A Good Year for Te Reo Rakatahi o Otago

Te Reo Rakatahi i Otago delivers Kāti Huirapa ki Puketeraki's Learning Experiences Outside the Classroom (LEOTC) contract with the Ministry of Education, giving school students from around the Otago region (as well as their teachers, parents and grandparents) the opportunity to experience being on the marae in an authentic way. For many tamariki and rakatahi, it's the first time they get to put their learned knowledge of te ao Māori, pōwhiri, tikaka marae and te reo into practice.

We work over four marae: Puketeraki, Ōtākou, Moeraki and Arai Te Uru in Ōtepoti. This kaupapa is only possible because of our team of LEOTC tutors who deliver the programme, sharing their time, mātauraka and skills. He mihi nui ki a koutou katoa.

We had 550 students participate in the LEOTC programme in Term 3, and 784 students in Term 4, with a total of 2,272 primary, intermediate and high school students participating in the programme in 2018. We look forward to an equally busy and rewarding year in 2019!

If any whānau members at Puketeraki, Ōtākou or Moeraki are interested in joining the LEOTC tutor pool, please contact your Rūnaka Office in the first instance

## Memories from the Runaka Kirihimete Party

*This year has been an extremely busy one for the runaka with lots of voluntary time given to the various requests for consultation and the ever demanding komiti mahi. So, it was great to see a large turn out to the Kirihimete Party to not only celebrate the year but also for the Executive to say thank you in recognition of the mahi done during the year. The night was enjoyed by all with great kai thanks to Aroha and Myra.*
