Waka reo day, Ohinepouwera

Nau mai, Haere mai

Ka tangi te wharauora, ko ngā karere a Maburu

Good-bye Winter, welcome back Spring. I'm sure we are all looking forward to getting back into full swing with all things wai and waka based. Things haven't stopped completely and we did manage to get some amazingly good days on the water over the Autumn & Winter. In March we co-hosted a 2 day Ocean Sports Wānanga with Geoff Ockwell around stand-up paddle boarding, lashing and waka steering. It was again wonderful to have instruction from Matahi Brightwell and Peter Boyd from Gisborne, to meet surf guru Paul Quirk from NSW. Paul Latta from Dunedin was a great help with SUP

tuition and the use of his extra boards. The last Waka / Reo day held in June, was another great day with lots of whanau. We got over to Ohinepouwera and did a beach clean up, mostly plastic! Also in June Brendan took Hauteruru into the Otago harbour for an early morning and evening sail / kōrero as part of a Matariki / Puaka event organised by the Fire in Ice club. After the Fire in Ice regatta at QEII weekend Brendan, Vivienne, Victoria, Anne-Marie, Ngahuaia and myself attended a coaching clinic run by the Waka Ama NZ Association. This was a very worthwhile day spent upskilling and also fantastic to hear the association intends having more of a presence down here in Te Waipounamu. More recently we have been on the water with Otago Polytechnic students while they have been out to Karitane on noho marae visits, and with the University PE School PSHE 104 students on the Otago harbour. Of course there are still the random days when we just like to get out on the water because we can (to check the equipment is working).

Put the hats and scarves away and reach for your wettie, looking forward to catching up soon.

Our club is now accepting annual subscriptions, they have been set at \$10 for individuals or \$20 per whānau. They can be paid online (details above), or if you prefer cash, in an envelope with your details to myself (Suzi) or Hinerangi.
